

Private Accommodation Service

A service of the Studierendenwerk for you and our students

How it works:

- Please send us your apartment or room offer by filling out the form via the online private accommodation platform at <https://www.stw-ma.de/private+accommodation> or alternatively in writing by mail, fax, or Email. Please be aware of the Terms and Conditions for the online private accommodations platform.
- After we check and approve your listing we will publish your contact information and address for three months on our website at <https://www.stw-ma.de/private+accommodation/list> that way students can directly get in contact with you. If you do not wish for this then unfortunately you are not allowed to use our service.
- If a student is interested in you apartment or room listing they will contact you directly. Any further negotiations must be made between yourself and the future tenant.
- Please let us know as soon as your accommodation has been rented- preferably via Email at: privatzimmer@stw-ma.de

Naturally you are welcome to come by the Infothek in person, or contact us via telephone or in writing by mail at:

Infothek

Postfach 10 30 37

Telephone: 0621 49072-727
Fax: 0621 49072-899

- Speaking from experience we would also like to add that the accommodations in good/safe and quiet areas and are centrally located are the most sought after. Apartments and rooms with average quality and/or outside of Mannheim are not as highly sought after.
