Housing

Affordable. Central. Digital.

Studierendenwerk Mannheim offers around 3,000 places to live in 14 student residences spread across the city: from the Quadrate district to Jungbusch, from energy-efficient timber-frame buildings to rooftop apartments with city views. Whether you are looking for a room in a shared flat, single apartment, barrier-free accommodation, or family-friendly housing, you will find affordable living space that suits your lifestyle.

Well connected & well equipped

All student residences are:

- Close to your studies
- Well connected to bus and train services
- Bicycle-friendly

The rent usually includes:

- Heating, electricity, water
- Garbage collection fees, hallway cleaning
- Internet
- Furniture

No surprises with utilities or additional costs – your rent remains predictable.

Move in quickly, live easily

- Online application:
→ www.stw-ma.de/online-application
- Contactless move-in and move-out possible via key box
- Service for all your living needs provided by our facility team

Digital Services

At www.mieterportal24h.de, you can do the following at any time:

- Report damage
- Upload study certificates and other documents
- Arrange rental matters
- Arrange move-out dates

Everything digital – everything 24/7.

Laundry via app - with Washload®

Washing machines and dryers are available in every residential complex – payment is cashless.

Find out more → www.stw-ma.de/cashless-payment

With the Washload® function in the StudiPlus² app, you can even see in real time which machines are free in some residential buildings, saving you unnecessary trips.

Living & learning in community

New to Mannheim? A shared flat with a communal kitchen is a great way to meet people quickly. Tutors organize welcome evenings, group excursions, and information events on various topics. So you don't just live there – you live right in the middle of it all.

Can't find a place?

If we don't have any vacancies, take a look at

→ www.gib-bildung-ein-zuhause.de

There you will find private rooms and other accommodation options.

More information & application

All student residences, rental prices, and the online application can be found at
